

Uniform News

We're trying something new! Our uniforms are 8 years old.

To keep band members looking like champions uniforms will be housed in school.

- **Students will not bring them home.**
- **Students will be checking in their garment bags, jackets, and trousers upon return to the school after every performance.**
- **Students need to come to school for every performance with tall black socks (The Dollar Shop has them.)**
- **Uniform black marching shoes are worn for every performance.**
- **Wear a black T-shirt. NO cami's, tank tops, or sleeveless tops at any time through the year please to prevent staining and odor issues.**
- **Deodorant use is important. 😊**
- **Alterations are being done at school. Please tell committee members if your child notices any repairs that need to be made.**
- **Long hair (girls and boys) must put hair up under shakos(hats).**
- **Shoe measuring will happen next week at the evening rehearsals. Students pay for their own shoes.**
- **A check payable to: Mohonasen Music Parents Association**
